WSW									
								10 min break	
Cleveland HS Winds Ensemble	E	1:06	1:39	A	2:56	3:18	3:29	3:40	3:41

Tent assignments and times are for instances of inclement weather. Units are free to utilize this time at their discretion, however it is not a required part of the performance flow. Unless a unit is the last group in a given lot zone, all vehicles and equipment must vacate the lot at the conclusion of warm up and move to the loading area.
