

PERCUSSION AWARD CEREMONY FORMAT

AIA has decided to have two award ceremonies for the percussion site. This will help us ensure there is ample room in the gym for each ceremony. Please know you do not have to leave after your ceremony...you can stay and enjoy the rest of the day as there should be more awesome performances in store!!

The first ceremony will begin around 7:30ish or after the last PSA class unit performs. The ceremony will consist of PSCA, PSRA, and WIA classes. The second ceremony will begin around 10:00ish or immediately after the critique for the WGI bound units and will consist of PSA, PSO, PSW, and PIW.

Both ceremonies will be full retreat...meaning the entire unit will line up. Scores/placement will be read. Awards/medals will be presented to the 1st, 2nd, and 3rd place units. If you are one of these units, please have the unit captains or leadership step forward to accept the award. The medals will be provided to the Directors for distribution to the performers.
