

# AIA MEMBERSHIP REGISTRATION THRU COMPETITION SUITE

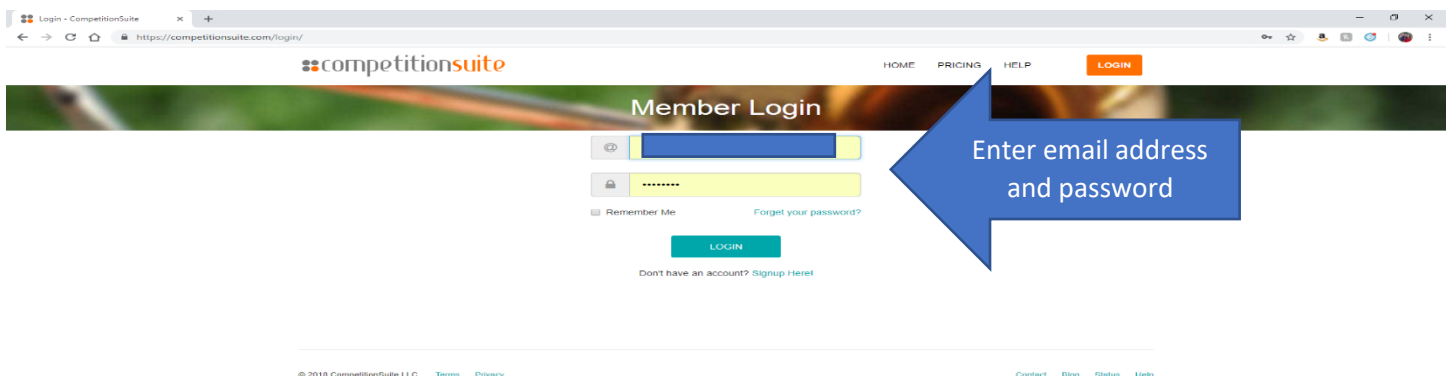

AIA Membership Registration is really simple, but you need to make sure you have an account and are set as an “Administrator” on that account. Something new this year is the ability to request extra credentials at the same time your register. Not to worry...if you don’t request the extra credentials now, you can still get them later...just make sure you email your region’s Contest Coordinator or President. Ready to register? Here we go....
